Notice: Miller Electric Construction, Inc. is relocating operations to a new facility, which has created a surplus of equipment and tools. This reduction in inventory will be sold at Absolute Auction via an online only, timed event auction format. All items in the auction belong to Miller Electric and will sell to the highest bidder regardless of price.

Location and Inspection: 4377 William Flinn Hwy, Allison Park, Pennsylvania 15101. Items will be available for inspection Thursday and Friday, September 2nd and 3rd and Tuesday and Wednesday, September 7th and 8th from 8:00am – 4:00pm. The site will be closed Saturday, Sunday, and Monday for the Labor Day Weekend.

Terms: All items will positively sell to the highest bidder regardless of price! An internet service fee will be added to the high bidder invoice at the rate of 5% for items purchased over \$10,000 and 10% for items purchased \$10,000 and less.

Payment: Payment in full is required by 12:00 Noon EDT, Friday September 10, 2021, in US dollars, via wire transfer or credit card payment. Credit card payments are subject to a 3% transaction fee.

Sales Tax: Since this contractor is selling items not normally sold in the course of business, the Commonwealth of Pennsylvania considers this an isolated sale and does not require the auction company to collect sales tax.

Removal: After complete payment, all sale items may be removed Thursday and Friday September 9th and 10th, and Monday thru Wednesday, September 13th – 15th. All items must be removed no later than Wednesday, September 15, 2021 at 4:00pm.
