NEVER A BUYER'S PREMIUM!

Morris Kreitz & Sons, Inc.

Notice: Morris Kreitz & Sons, Inc. has been in continuous operation for over 100 years. Throughout that time, they have focused their work and developed tradesmen in many industries, to include: Millwright; Rigging; Machinery Moving; Steel Erection; and Mechanical Construction. Beyond the major equipment and trucks offered in this auction, there are hundreds of tools and rigging supplies, which support these industries. The current owner has determined it is time to wind down this operation and liquidate all assets at absolute auction, to the highest bidder regardless of price, without minimums, reserves, or buyers premiums.

Special Note: Due to the large volume of items to be sold, it will be necessary to sell with (2) auction rings selling simultaneously. Please plan accordingly. Contact Hunyady Auction, for information regarding the start time of the 2nd auction ring and inventory being sold.

Location: Morris Kreitz facility located at 2 Oesterling Drive, Reading, PA 19605

Sale Day Parking: There is extremely limited parking available around the auction site. We are currently working on securing a remote facility, however at time of print, that location has not been determined. Please visit our website for updated information regarding the location of the remote parking facility.

Directions: FROM US ROUTE 222 and PA ROUTE 61 (North of Reading) – Take Route 61 North to 1st traffic light and turn RIGHT onto W. Huller Lane. Follow to end and turn LEFT onto Leesport Avenue. Take 1st RIGHT onto Oesterling Drive. Auction site is on Right. NOTE: There is a low bridge (7'10") on W. Huller Lane – See note for alternate truck traffic.

Truck Route: Trucks over 7'10", BUT UNDER 11'7" can use Snyder Road off of Route 61, then turn RIGHT onto Leesport Avenue to auction site. All other truck traffic MUST use Business Route 222 to Leesport Avenue to auction site.

Online Bidding: Live internet bidding will be provided by Proxibid. Proxibid will charge an Internet Service Provider Fee of 5% to the successful internet bidder for each lot purchased on-line over \$10,000 and 10% on items \$10,000 and less. All interested internet bidders are required to register w/Proxibid 24 hours prior to the auction at www.proxibid.com/hunyady or call 877-505-7770

Terms: Payment in full is required on sale day by cash, certified funds, or check with a bank letter of guarantee. Sample letter of guarantee: "We hereby guarantee the payment of our customer _____ written on his account up to _____ dollars for purchases at your auction sale on March 15, 2017" All guaranteed checks should be made payable to Hunyady Auction Co.

Sales Tax: Since this contractor is selling items not normally sold in the course of his business, the Commonwealth of Pennsylvania considers this an isolated sale and does not require the auction company to collect sales tax.

Financing: Financing is available, please contact Susan (215) 361-9099 at the auction company for details.

Inspection: Items will be available for inspection beginning one week prior to the auction from 8:00AM to 4:00PM or sale day morning beginning at 7:00AM. This site will be closed Saturday and Sunday, March 11th and 12th
