**Production Components Corporation  
TUESDAY, MARCH 7, 2023 - 9:00AM  
Lansdale, Pennsylvania**

## Production Components Corporation

**Notice:** For over 40+ successful years, Production Components Corp has represented premier manufacturers in the field of assembly, automation and production throughout the Northeast. However, the owner of PCC has determined that it is time to cease operations in order to retire. All equipment is owned by Production Components and will positively sell to the highest bidder, regardless of price, at a virtual, live-broadcasted Absolute Auction.

**Location:** The auction will be held at Production Components Corporation's facility located at 701-D West 5th Street, Lansdale, PA 19446

**Inspection:** Items will be available for inspection on weekdays only, from 8:00am – 4:00pm beginning Wednesday, March 1, 2023.

**Removal:** After complete payment items can be removed sale day until 4:00pm and weekdays only from 8:00am – 4:00pm. All items, not requiring removal by the rigging company, must be removed by Tuesday, March 14, 2023 at 12:00 Noon.

**Rigging Required:** Items, which cannot be loaded by the forklifts in this auction, will require a rigger to load. We have selected a professional rigging company to load these specific items onto Buyers trailers, on specific days. These rigging fees are advertised and will be added directly onto your invoice. All rigger loading will take place on Monday thru Thursday, March 13 – 16. Buyer must have their trucks available and onsite for the day of their scheduled loading. Buyer does not have the option of removing these items themselves, or hiring their own rigging contractor – we have selected this rigging company to assure safe and coordinated load out procedure.

**LIVE, VIRTUAL AUCTION:** This auction is being conducted via **LIVE, VIRTUAL ONLINE ONLY**. **There will be NO LIVE BIDDING FROM THE SITE. ADDITIONALLY, there will be NO PAYMENTS accepted at the auction site! Payment must be paid either by wire transfer or credit card.**

**Terms:** Complete payment immediately after receipt of invoice by wire transfer or credit card only. Credit card payments will be charged a 3% processing fee.

**Online Bidding:** Live internet bidding will be provided by Proxibid. Proxibid will charge an Internet Service Provider Fee of 5% to the successful internet bidder for items over \$10,000 and 10% for items \$10,000 and under, for each lot purchased on-line. All bidders are required to register to bid through Proxibid.

**Sales Tax:** Since this contractor is selling items not normally sold in the course of their business, the Commonwealth of Pennsylvania considers this an isolated sales and does not require the auction company to collect sales tax.
